**29<sup>th</sup> Night of Ramadhan 1441**  
**Translated by Haramain Recordings | [www.haramain.info](http://www.haramain.info)**

O' Allah, Our Lord, For You is all praise, praise which is abundant, pure and full of blessings, just as our Lord loves and is pleased with,

We praise You – O' Allah – with all of Your Praiseworthy Attributes,

And we thank You upon all of Your favours,

O' Allah, For You is all praise, You have stated – while Your speech is the evident truth – “Say [O' Muhammad], Allah has told the truth. So follow the religion of Ibraheem (Abraham).” – “And who is more truthful than Allah in statement?”

“And who is more truthful than Allah in speech?”

There is no deity (worthy of worship) except Allah, He who is Unique in Majesty and Perfect Beauty, Unique in his Exaltation and Glorification,

He who is Exclusive in managing all affairs, in major and minor details, through destining and ordaining,

We praise You – O' Allah – Blessed You are and Exalted You are, O' Possessor of Majesty and Honour,

And we are among the witnesses to what our Lord and Creator and Sustainer has said,

And, of what He has made obligatory and incumbent, (we) are not disbelievers,

All praise is for Allah, The Lord of the Worlds,

And the salutations of Allah and His peace be upon the Seal of the Prophets, and upon his virtuous and pure family, and upon his pure wives who are the Mothers of the Believers,

And may Allah be pleased with all of the Sahabah (Companions), and the Tabieen (Followers) and upon those who follow them with righteousness up to the Day of Recompense,

O' Allah, all praise is to You for Your great blessings and Your enormous graces,

All praise is to You for You have guided us to Islam and have taught us Al-Hikmah (the Sunnah) and the Qur'an,

And all praise is to You for easing for us the fasting of Ramadhan and its prayers, as well as the recitation of Your revered book (the Qur'an), that which falsehood cannot approach it in front of it and behind it,

It (the Qur'an) is a revelation from The Wise and Praiseworthy,

O' Allah, we are Your slaves, the children of Your (male) slaves and the children of Your (female) slaves,

Our forelocks are in Your hand,

Your judgement upon us is inescapable,

Your verdict of us is just,

We call upon You by all the Glorified Names which belong to You,

(Those names) With which You have described Yourself or those of which You have revealed in Your Book or those of which You have taught to anyone in Your Creation or those of which You have chosen to keep in the knowledge of the unseen with You,

(Through these names, we ask) That You make the Glorious Qur'an a delight for our hearts,

And (You make the Glorious Qur'an for us) the illumination in our chests and the remover of our sadness, the pacifier of our worries and sorrows and our leader and our guide to You and Your Paradises; Paradises of utmost bliss,

O' Allah, remind us of what we have been made to forget from it [Qur'an],

And teach us from it what we are unaware of,

And give us the ability to recite it (Qur'an) during periods of the night and during periods of the day in a manner that makes You pleased with us.

O' Allah, make us from those who consider permissible those things which it (Qur'an) declares as permissible,

And (make us from those) who consider the unlawful those things which it (Qur'an) declares as unlawful,

And (make us from those who) believe in its Mutashabih (ambiguous/unspecific) verses,

And (make us from those who) act upon its precise verses and we recite it in accordance to how it should be recited,

O' Allah, make us from those who recite its (Qur'an) letters and (uphold) its rulings,

And do not make us from those who recite it (Qur'an) but transgress its rulings,

**O' Possessor of Majesty and Honour!**

**O' Possessor of Grace and Blessings!**

**O' Allah, make the Glorious Qur'an, for our hearts, a cure,**

**And (make the Glorious Qur'an), for our eyes, a means of clarity,**

**And (make the Glorious Qur'an), for our illness, a remedy,**

**And (make the Glorious Qur'an), for our sins, a purifier,**

**And (make the Glorious Qur'an), from the hell-fire, a saviour,**

**O' Possessor of Majesty and Honour!**

**O' Allah, let us wear, by it (Qur'an), the garments (of Paradise),**

**And let us inhabit, by it (Qur'an) , the shades (of Paradise),**

**And remove, by it (Qur'an), all punishment,**

**And increase us, by it (Qur'an), in blessings,**

**And make us, by it, on the (Day of) Reckoning from the successful, and make us, by it, from the patient during adversities,**

**And make us, by it, from the grateful during blessings,**

**O' The Most Merciful !**

**O' Allah, benefit us and elevate us (in ranks) by the Glorious Qur'an; which You have elevated in grandeur and have affirmed its authority and have established its testimonial,**

**And as You have said – O' The Greatest One who has spoken – “So when We have recited it [through Gabriel], then follow its recitation. Then upon Us is its clarification [to you].”**

**(The Qur'an is) Firm in statement, clear in testimony, protected from any addition and deletion,**

**In it (The Qur'an) are promises and warnings, apprehensions and threats (to the heedless),**

**Falsehood cannot approach it from in front of it or from behind it. It is a revelation from the Wise and Praiseworthy,**

**O' Allah, make us from the people of the Qur'an; those who are Your people and the closest to You,**

**O' Allah, make us from those whom it will be said to (on the Day of Judgement): Read (The Qur'an) and climb (in ranks) and recite as You would recite in the world,**

**O' Possessor of Majesty and Honour!**

**O' Possessor of Grace and Blessings!**

**O' Hearer of Prayers!**

**O' Possessor of Favours and Gifts!**

**O' Allah, change our conditions by the means of the Glorious Qur'an from misfortune to prosperity, and from hell-fire to Paradise, from sorrow to happiness, from all types of evil to all types of goodness,**

**O' The Most Merciful ! O' Lord of the Worlds!**

**O' The Most Kind!**

**O' Allah, make us beneficiaries through reciting Your book (Qur'an), make us attentive upon its messages of warning and make us submit to its commandments and prohibitions,**

**And make us from the successful upon its completion,**

**O' Allah, make us from the successful upon its completion!**

**O' Allah, make us from the successful upon its completion!**

**And make us hopeful of You in all of our affairs,**

**And make us engaged in Your remembrance for You all throughout the months,**

**O' The Most Merciful!**

**O' The Most Kind!**

**O' The One with Great Favours!**

**O' The One who Profusely Overlooks!**

**O' The One who hides the bad acts and reveals the good acts!**

**O' The One who does not punish (straight away) because of misdeeds and does not remove the veil!**

**Have mercy upon us as You are Merciful to us!**

**And do not punish us, for verily You are upon us Capable,**

**Be Gentle upon us with regards to what has been destined,**

**And You are upon everything Capable!**

O' Allah, send salutation upon Muhammad and upon the family of Muhammad just as You have sent salutations upon Ibraheem (Abraham) and upon the family of Ibraheem (Abraham), You are the Praiseworthy and Glorious,

And send blessings upon Muhammad and upon the family of Muhammad just as You have sent blessings upon Ibraheem (Abraham) and upon the family of Ibraheem (Abraham), You are the Praiseworthy and Glorious,

O' Allah, guide us among those You have guided,

Safeguard us among those whom You have safeguarded,

Be an ally to us along with those whom You are an ally to,

Bless us in that which You have granted to us,

Protect us from the undesirable consequences of that You have decreed,

O' Allah, You are the Forgiver, You love to forgive so please forgive us,

O' Allah, You are the Forgiver, the Kind, You love to forgive so please forgive us,

O' Allah, You are the Forgiver, the Kind, You love to forgive so please forgive us,

O' The Most Kind!

O' Allah, make us the most favoured creation to You, the most humble servants to You, and grant us abundance which does not turn us into tyrants, health which does not distract us (from Your worship),

And keep us independent – O' Allah – through Your Grace from those whom You have made richer than us,

And make our last words in the world the testimony that 'There is no deity (worthy of worship) except Allah and that Muhammad is the Messenger of Allah'

And grant us death only when You are pleased with us and not angry!

And grant us death only when You are pleased with us and not angry!

And make us from the conditions of the Day of Judgement untroubled,

And make us from those who hold their book of deeds with their right hand,

And make us from those who will be told in the hereafter, "Eat and drink in satisfaction for what you put forth in the days of past"

O' Allah, grant us our book of deeds in our right hands and ease for us our reckoning,

**O' Allah, ease our reckoning!**

**And ease our crossing of the Siraat (Bridge), O' Lord of the Worlds!**

**And honour us with the closeness of the Leader of the Prophets; our Prophet Muhammad;  
the son of Abdullah,**

**O' Allah, gather us with his group,**

**O' Allah, gather us with his group!**

**O' Allah, take us to his Fountain (on the Day of Judgement),**

**O' Allah, take us to his Fountain (on the Day of Judgement)!**

**And quench us with his blessed hands with a mouthful because of which we would never feel  
thirsty again!**

**O' Possessor of Majesty and Honour!**

**O' Possessor of Grace and Blessings!**

**O' Allah, grant forgiveness to all of the deceased of the Muslims, those who have testified in  
Your Oneness and Your Prophet as the Messenger,**

**O' Allah, forgive them, have mercy upon them, grant them ease and pardon them, make  
noble their resting place, facilitate their entry (with ease), purify them with clean water, snow  
and hail. And purify them from sins and transgressions just as a white garment is cleansed  
from dirt.**

**And grant them great reward for their good deeds, and pardon and forgiveness for their  
misdeeds,**

**O' Allah, transfer them from the tightness of the grave and the den of worms to Your  
Heaven, Heavens of Eternity!**

**(Let them be) "Among lofty trees which are thornless, palms layered (with fruit), extended  
shade," O' The All Forgiving, O' The Most Loving!**

**O' Allah, have mercy on us when we become what they (deceased) have already become,**

**O' Allah, have mercy on us when we become what they (deceased) have already become,**

**O' Allah, assist us at the time of death and during its pangs, in our graves and its darkness, on  
the Day of Judgement and its distress,**

**(Assist us) On the Siraat (bridge) and from its slipping,**

**O' The Possessor of Majesty and Honour!**

**O' Allah, we ask You for the first of Your blessings as well as the last, the collection of it, the beginning and the ending of it, the hidden and the apparent of it,**

**And (we ask You for) the highest ranks of Paradise.**

**O' Allah, we ask You for Al-Firdaws; the highest rank of the gardens of Paradise,**

**O' The Possessor of Majesty and Honour.**

**O' Allah, good health to us and our fathers,**

**And pardon our fathers, our mothers, our relatives, our offspring, our spouses, and those that who love us for Your sake, and those who we love for Your sake, our relations, our close relatives, and whosoever has requested us for supplications, and whosever we have requested for supplications. O' Possessor of Might and Honour!**

**O' Allah, we ask You with Your Beautiful Names and Lofty Attributes, in these blessed nights and in these noble lands, (we ask You) to favour us!**

**(We ask You) To favour us!**

**(We ask You) To favour us with freedom from the fire of hell!**

**O' Allah, grant us freedom from the fire of hell, as well as our parents and our Muslim brothers, O' The Most Merciful !**

**O' Possessor of Majesty and Honour!**

**O' Allah, You gift Your servants during the ending of the month of Ramadhan by the emancipation of their necks from the fire of hell,**

**O' Allah, make us from the ones whom You have written emancipation from the fire of hell, and our parents, the governors of our affairs, our scholars, and those who have a right upon us,**

**O' The Possessor of Might and Honour!**

**O' The Owner of Grace and Favours!**

**O' Allah, verily You bless Your servants with Your Nuzool (descent) to the sky of the world, when the last third of the night remains, that Nuzool (descent) which is in accordance to Your magnificence and Your greatness,**

**And You announce, is there any caller so I can respond to him?**

**(And You announce), is there any seeker of repentance so I can accept his repentance?**
